

INTEGRATED FAMILY AND CONSUMER SCIENCES

Levels: 9-12

Units of Credit: .5-3.0

CIP Code: 20.0120

Prerequisite: None

COURSE DESCRIPTION

NOTE: Before being offered, this course must have prior approval from the state specialist. Course outlines for each grade level must be submitted with an application for the class offering. This one or two semester course is designed for small schools with fewer than 600 students in grades nine through twelve. For specific information regarding this course, contact the Utah State Family and Consumer Sciences Education Specialist.

INTEGRATED FAMILY AND CONSUMER SCIENCES PROGRAM—(.5-3.0 credits) This is a comprehensive course that provides students the opportunity to learn skills in all areas of Family and Consumer Sciences Education. Students will receive instruction in areas critical to the success of balancing work and family responsibilities. The course will include instruction in the areas of Family Life, Nutrition and Food, Textiles and Clothing, Housing and Interiors, Child Development and Child Care, and Consumer Education. Student leadership (FCCLA) may be an integral part of this course.
